New Business: At the December Town Board meeting Tim Hanna noted there is no fee schedule (see December 2008 Town Board meeting minutes). It was suggested by Supervisor Johnson that Planning Board Chair write a proposed fee schedule.

Chairman Tim Hanna presented fee schedules that he found doing internet research. Tim Hanna referenced that currently Major Subdivisions are charged a \$500.00 fee and Minor subdivisions are charged \$100.00 fee, however the fees are not written into the subdivision law. Robert Brooks felt it would be relevant to find out what other similarly situated Towns in our area had for fee schedules. Bob agreed to contact some local towns for copies of their fee schedules.

Alison Owens recommended that the Planning Board review current local laws to find fees that are currently being charges. Some that were quickly found follow:
